

MATHEUS SHIOKAWA SILVA

COMPUTER PROGRAMMER

I started my academic career in 2023, both in college and in extracurricular courses. I am currently taking the 4th semester of the Computer Science course.

OBJECTIVE

Looking for an opportunity as an intern in software development where I can apply my knowledge, learn new technologies and contribute to the company's growth, while developing professionally. I aspire to create innovative software solutions that can positively impact society.

PROJECTS

Stocks Tracker ([Link](#))

- Software that allows users to record and manage shares in the Brazilian and foreign markets, offering important data in graphic format.
- Technologies: Python, MySQL, Git / GitHub

Portfolio ([Link](#))
